10-20, 20 Kg Bags - \$13.18 ea

Arctic Blast combines the most effective deicing blend, creating the desired reaction to initiate deicing and meltdown. Arctic Blast breaks the bond between the ice and the surface area. As Arctic Blast goes to work, it's time-released formula stays on the surface area longer, helping to control the freeze-thaw cycle. Call for skid lot pricing! 1-800-265-8426 x228
